Fixed Runners

Metal storage with built in runners

Built in welded runners.

Due to popular demand Gratnells are now producing ready-assembled welded storage furniture. For some customers moving the runners up and down to increase storage space is not a priority so now they can choose welded version of our best-selling frames and trolleys. The Gratnells treble and double column frames are now available with a welded runner option along with our single, double and treble column trolleys. These items are supplied fully assembled, so are perfect for a refurbishment or new project.

Available in your choice of frame colours; Gratnells Grey, Dove Grey, White, Beige, Silver and Royal Blue.
