

# Declaration of Conformity

Gratnells Limited  
8 Howard Way  
Harlow  
Essex CM20 2SU  
UK

## REACH/SVHC

The products mentioned in bold below, manufactured by Gratnells Ltd., do not contain in their recipe as intentionally added ingredients above a limit of 0.1% w/w, any of the Substances of Very High Concern (SVHC) in the candidate lists by the ECHA and the UK HSE respectively. According to our knowledge and based on the information provided by our suppliers, none of the raw materials or additives contain these substances. All the information introduced in this document is a delivery of information provided by our suppliers for our products. Furthermore, we do not intentionally introduce any of these substances during our production processes.

## RoHS

The EU RoHS Directive and the UK HSE RoHS Directive restricts the maximum allowable levels of hazardous substances and chemicals in EEE products. To the best of our knowledge and based on the information provided by our suppliers and external accredited laboratories, none of the products produced by Gratnells Ltd. listed below contain unsafe levels of these substances.

**Gratnells Learnometer**  
**Gratnells PowerTray**

The purpose of this document is to offer information about our products. It is not a guarantee for specific characteristics of said products. It lies within the buyer's responsibility to ensure that the products as offered by us fulfil the requirements needed for their purpose.
