## SortED Mystery Materials - instructions

- Take the lid off the tray, lift out the entire purple SortED tray to reveal the mystery materials and labels underneath.
- Place one blue material name label in (or next to) each of the eight green SortED modules in the purple tray.
- Explore, group and sort all the mystery materials into the labelled SortED module that best describes the material they are made from.
- Take a photograph to evidence your work, make sure the labels are visible.
- Match each material to two orange example uses cards.
- Record the letters and numbers of the matched names and uses e.g. H, 5, 8 or take a photograph.

**Tidy up time:** Return all items and labels to their original location. Replace the lid and instruction card ready for the next team.
